

FROM CNM TO YOUR NEXT CAREER

Join Us For CNM's Virtual Open House!

Wednesday, April 7, 2021
5:30-7:00 P.M.

Are you interested in finding a new career?
Are you looking to enhance your job skills?

We're hosting a virtual open house for you to learn about CNM's certificate and degree programs. Come talk to representatives from our different programs and hear from a CNM alum!

Central New Mexico Community College supports students with their career dreams. We've been a part of this community for 56 years, and we're here to stay. Whether you're interested in accounting or in veterinary sciences, with more than 150 programs CNM has certificates and degrees to help you start your journey to an amazing career.

SUMMER CLASSES BEGIN MAY 17

FEATURING CNM ALUM, ANGEL GARCIA

Angel found the support he needed at CNM to change his life and to secure a new future. After spending time in jail, he wanted to create a different path for his future. His

new journey started when he enrolled in electrical trades classes at CNM. Along the way he found coaches and mentors who supported him through the hurdles and helped him gain skills that led to a job as a Social Services Coordinator with the City of Albuquerque's Violence Intervention Program. Angel believes that CNM can help you too. Join us to hear his story.
