## About Your Teachers

*Hi Second Graders! I am so glad you are in our class! We have an exciting and adventurous new academic school year. We are going to strengthen and fine-tune the skills we have and learn so much more! We will develop our neural pathways and grow our brains.*

*My name is Ms. Gigi Crespin and I will be one of two tour guides on your journey this year. I have been a Cuba Ram for a long time and will always be available to help and support you.*

*And I am your second tour guide, Ms. Leslie Escobedo. We have so many exciting and engaging trips of knowledge in store for you, so put your seat belts on and get ready for a wild ride!*

*In order for us to make the most of your adventure, it very important to stay in regular contact with your base camp, so we have a variety of ways to do so and will be sending information to you about the channels we will be using!*

*Please let us know right away if your family is missing technology or having issues with internet access. We are here to keep you safe and accessible during your academic journey whether it be a virtual learning environment or in the classroom!*
